

SONIC TRACTOR PARTS, INC
ST-304 and ST-304F

WARRANTY TERMS, CONDITIONS, LIMITATIONS AND EXCLUSIONS

SONIC TRACTOR PARTS, INC. warrants the ST-304 and ST-304F to be free from defects in material and workmanship under a Limited Warranty for 1 year as of our invoice date, on the condition that the equipment is properly operated and maintained. The warranty is limited to replacement of defective products only and shall be void in case of accident, misuse, negligence, or application for which the product is not designed for.

MECHANICAL BREAKDOWN COVERAGE: Sonic Tractor Parts agrees to replace any mechanical, electrical or hydraulic part, component, or assembly of your tractor if necessary due to a mechanical breakdown, subject only to the exclusions stated below. Mechanical Breakdown shall be defined as "the sudden failure of a defective part, component or assembly", or, "faulty workmanship on a part, component or assembly as supplied by Sonic Tractor Parts, Inc. for your model, and will NOT include the gradual reduction in operating performance due to standard wear and tear.

LIMIT OF LIABILITY: This Limited Warranty coverage is for PARTS ONLY. Sonic warrants our parts to be free from defects in material and workmanship for the time period listed. Sonic Tractor Parts, Inc. reserves the right to inspect any or all parts returned for warranty before warranty claims will be honored. The warranty shall be void in case of accident, abuse, misuse, negligence, application for which the product is not designed for, alteration, disassembly, dismantlement, etc.

**EXCLUSIONS
COVERAGE SHALL NOT APPLY:**

1. To any components or assemblies not referenced above.
2. For repair or replacement of any part or component if a Mechanical Breakdown has not occurred.
3. For any breakdown caused by collision, fire, theft, vandalism, riot, explosion, lightning, earthquake, windstorm, hail, water, flood, or any other Act of God.
4. For liability for damage to property, or injury to or death of any person arising out of the operation, maintenance or use of covered equipment.
5. For any failures due to a lack of lubricants and/or coolants.
6. For loss of use, time, inconvenience, or any other consequential or resultant loss of any kind.
7. For any breakdown due to overloading, misuse, abuse, negligence, vibration or alteration of the covered equipment.
8. For any breakdown due to contamination; or, damage resulting from rust, corrosion, freezing or overheating.
9. For the cost of parts and/or labor necessary to maintain the equipment as described in the Operator's Manual, including, but not limited to, engine tune-ups, adjustments, repair or replacement or parts for the sole purpose of increasing operating performance, filters, spark plugs, spark plug wires, glow plugs, wheel brake parts or linings, dry clutch disks, belts, chain, plastic/rubber/metal lines/hoses, wheels or tires, wheel covers, wheel posts or lug nuts, frame, batteries, battery cables, thermostats, or freeze plugs.
10. For the repair or replacement of any structural failure, or any part that engages the ground.
11. For the cost of sales tax, freight, equipment transportation or storage, lubricants, environmental charges, solvents, sealants, or any normal shop supplies.
12. For any cosmetic related repairs or standard wear & tear items.
